We have some wonderful events happening in April! The most anticipated is our annual Art Show. Each year, students create art projects that accompany our theme. The teachers hold onto these projects, and on April 25th, the teachers transform the school into an art museum. Each child who attends Little School will have an art project in each of our 15 classrooms. Our theme this year is "A Year In the Life of a Preschooler." Please be sure to bring your children, families, and friends. The art show is open-house style, so you can come walk through the art show any time between 5:30-7:30pm on the evening of the 25th. Please remember, students do not have school on April 25th because our teachers need time to set up the art show.

You are invited!

On April 3rd, the St. Luke's UMC Music and Arts Ministry is generously hosting the Central City Opera at Little School! The Central City Opera will present an age-appropriate opera to our students. They are only able to come on Wednesday, April 3rd, so we want to encourage you to bring your child and stay for the performance if they are not normally here on Wednesdays. All Little School children are free. Parent and sibling tickets can be purchased at the door.

Adults: \$8.00 Children under 2: Free

Non-Little School children (2-12) \$5.00
