

April 2021 Newsletter

ST. LUKE'S LITTLE SCHOOL

Happy Easter!

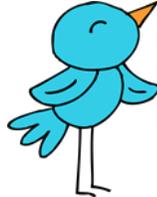

What a joyous time in our Christian Faith as we celebrate Holy Week and how much Jesus loves us. He gives us new life, and at the same time, we begin to watch for signs of new life rising around us.

In chapel this month, students will learn about Easter and Holy week. While the stories regarding Easter are dark, we have ways to focus on the light and joyous parts of Easter and Holy week at an age-appropriate level.

We hope you are able to get outside and look for signs of spring and new life.

Grace and Love,

Ms. Kelly

Upcoming Events

April 16th: No School-Parent Conferences

April 22nd: No School-Art Show

You are invited!

What: Little School Annual Art Show

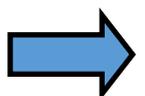

When: April 22nd-All Day (No school this day)

Where: Fellowship Hall of the church

How: You will receive a sign-up genius link to sign-up for a spot to come visit the art show with your child.

Theme: Award Winning Literature

The annual art show is our favorite event at Little School. All year, students have been creating 14 art projects related to award winning literature. On the 22nd, you will have a chance to come see all of the projects displayed in fun ways. You will make your way through a maze of art and literature. You will park on the south side of the building (do not park on the north because there is a theater performance going on that night on the north lawn), and you will enter up the stairs and down the hallway to the fellowship hall. This will all be clearly marked. All you need to do is arrive on time and park on the south side (playground side) of the building. We look forward to seeing you all on the 22nd. Your child is so excited to show off their art work. This is a highlight of the year.

It's hard to believe that spring is already here and that Easter is right around the corner, but we're ready for it in music! For a great start, we'll be learning the beautiful song, "Jesus Is Alive." Then we'll move on to a Little School favorite, "Pickin' Up Eggs," as well as "Hop, Little Bunny," and "Jolly Jelly Beans."

The second week in April, we'll be exploring elements of music such as louds and softs, highs and lows, and fast and slow. Our younger children will be preparing to perform for families in the Spring Sing, and our 4's and Explorers will be singing about animals, colors and shapes, and bugs! (Eew!) We are also excited about starting a new theme entitled Body Percussion. A fun time will be had by all as we indulge in hand clapping, foot stomping, and tummy patting, along with many other crazy things we can do to make percussive sounds with our bodies.

Once again, many thanks to you, our Little School parents, for sharing your beautiful children with us. They bring joy and blessings to our lives every day. Happy Spring!!!

Ms. Sheri, Ms. Laura, and Ms. Michele

The Performing Arts Academy is offering preschool dance camps this summer! Ms. Kelly, our director, is even teaching at some of them! There is a Fairytale Camp, an Intro to Gymnastics Camp, a Disney Camp, and a Ballet/Tap Camp. Check out their website for more information or email sam@stlukeshr.com

Registration is open now on their website:
