Flu Information

Once we have a certain number of children or adults with confirmed flu cases, we need to contact the Tri-County Health Department. While our number of diagnosed children and staff is not large, it is prevalent. If your child starts to exhibit flu like symptoms, please keep them home, and get them tested by their pediatrician. If they are indeed positive for the flu, please call the office, and let us know whether it is Type A or B. We are documenting numbers for Tri-County Health.

Registration is open!

Registration for the 2020-2021 school year is now open. We are filling fast so be sure to get your registration forms in. If you know of other families who want to enroll, be sure to encourage them to do so quickly so they get a spot.

Hi Wonderful Families!

It's February, and so we are reminded how much we love and appreciate you! You have guided and raised such beautiful children of character and joy. They in turn bless, challenge, and keep us laughing each and every day.

During chapel, Ms. Kelly will be talking about how much God loves us and that He sets the example for loving all people even those that are different from us. Our teachers will continue to reinforce the concept of kindness through heart stickers. Our children are highly motivated by stickers with the result that we are fostering an atmosphere of kindness in our classrooms.

Our Annual Dad's Saturday is Saturday, February 8th. Any adult is welcome to accompany the child if Dad is not available. It is one of our favorite days as we see our special adults interacting with their kids either doing a valentine craft, or making a card for someone special. Donut Maker has yet again provided our Donuts at a reduced cost.

Come and join us for our annual book fair! It runs from Monday, February 3rd after Dad's Saturday on February 8th. We have a wide range of children's books with something for everyone. We will be open at Drop-off and at Pickup time!

Thanks for sharing your precious children with us. We LOVE them!

-Ms. Tushka, Assistant Director

Please do not park in the handicapped spots even if it is just for a moment. We have parents and children who need to utilize those spaces, and when you park in those places, they are not able to access the preschool safely. Thank you for not parking there.

Music Class News

We are looking forward to doing Valentine's songs and poems in February, but first we will embark on a fun set of train songs and activities. We will make our way around our classroom train track and also record the children singing "Choo, Choo the Big Train!" Listening to your recorded voice is always fun!

The third week we will learn about jazz instruments and different jazz styles. We will wrap the month up with music theory, which will include learning about the quarter note, the quarter rest, and the eighth note.

St. Luke's United Methodist Church Children's Ministries Events:

February 8th: Parent's Time Away 9:00am-12:00pm. \$15 per family, email sam@stlukeshr.com for more info and reservations.

February 21st/22nd/23rd: The Music Man Musical at St. Luke's UMC. 7:00pm shows on Friday and Saturday, and 2:00pm shows on Saturday and Sunday. Tickets can be purchased at the door.

Every Sunday: Join us every Sunday at 9:30am or 11:00am for Sunday school for children ages 2 years old-sixth grade. We learn bible stories through multi-sensory experiences. We offer a sacred place for children to share their story and learn about the experiences of others to connect with God.
