February 1st-14th: Virtual Book Fair

February 10th-12th: Valentine's Parties

February 13th: Dad's Saturday Virtual Event

More information coming from teachers

February 15th: No School-Presidents' day

February Chapel

The chapel lesson this month is the Good Samaritan which is perfect for showing others love and compassion. Ms. Kelly, Ms. Laura, and Ms. Sheri will once again record chapel in the sanctuary and play it for students in their classrooms.

Hi Wonderful Families!

It's February, and so we are reminded how much we love and appreciate you! You have guided and raised such beautiful children of character and joy. They in turn bless, challenge, and keep us laughing each and every day.

Our Annual Dad's Saturday is Saturday, February 13th. Your child's teacher will share more information about this event as well as times. Any adult is welcome to accompany the child if Dad is not available. It is one of our favorite days as we see our special adults interacting with their kids either doing a valentine craft, or making a card for someone special. The event will be virtual this year, but will still be a special time.

Come and join us online for our annual book fair! Anyone can purchase books through the book fair and a portion of the proceeds will benefit Little School.

Thanks for sharing your precious children with us. We LOVE them!

Safe.
Easy.
Essential.

Registration is open!

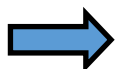

Registration for the 2021-2022 school year is now open. We are filling fast so be sure to get your registration forms in. If you know of other families who want to enroll, be sure to encourage

Thank you, Erica Rousseau, our parent book fair coordinator!!

Our Book Fair is
Going Virtual

Join us online February 1-14

Music Class News

We are looking forward to doing Valentine's songs and poems in February, but first we will embark on a fun set of train songs and activities. We will make our way around our classroom train track and also record the children singing "Choo, Choo the Big Train!" Listening to your recorded voice is always fun!

The third week we will learn about jazz instruments and different jazz styles. We will wrap the month up with music theory, which will include learning about the quarter note, the quarter rest, and the eighth note.
