## Registration is open!

**We are currently at enrollment numbers that we do not usually see until May! We are so excited to have so many of you joining us again next year. That means, if you have not registered, you need to do it ASAP. Many of our class options are full.**

**Check out our website for a registration form and be sure to tell your friends.**

## Safety Requests:

Please do not leave your cars running in the parking lot when you drop off. This is a safety hazard and concern for families nearby.

As you may have noticed, the church has built two outside stages for outdoor worship purposes.

Children are not allowed on these stages. Please help keep children off the stage.

## Safety Check-up!

Did you know we are regularly inspected by many different agencies to ensure we are providing a safe and healthy environment for your children? Each year, we are inspected by the following agencies: Tri-County Health, Colorado Department of Human Services Early Childhood Department, South Metro Fire District, Douglas County Sheriff's office, and Church Mutual Insurance.

We always strive to do very well with all of our inspections and succeed in doing so. If you get a chance, please thank our teachers and staff for their work in providing a safe environment for your children. Not only are they managing classrooms full of preschoolers during a pandemic, but they are also managing handwashing, fire codes, proper food handling, toileting and diapering, sanitizing, disinfecting, clean-up that has to be at state standards, and much more. Our teachers do an amazing job with all this, and they do it with a smile.

## Join us for Spirit Dress-Up Weeks:

## Music Class News!

March is such an amazing time. The chill of winter is starting to melt away, and the promise of spring starts to shine a little brighter! We begin by learning familiar fairytales, while playing a musical instrument for different characters. Little Schoolers will search for that pot of gold at the end of the rainbow while singing fun St. Patrick's Day songs like "Leprechaun Pie" and spring songs like "I Can Sing a Rainbow." The children have been working hard on their music theory, and we will continue with the elements of music through our music stories. Be sure to ask about the quarter note, quarter rest, eighth note, half note, and whole note stories. We will also explore loud and soft sounds in music.

Thank you for sharing your beautiful little blessings with us each day.

Laura, Sheri and Michele
