As we close out our 2018-2019 school year, we want to thank you for the love and support you have given our staff. We know that without strong parent/teacher relationships, our school would not be as successful as it is. We love all of our families, and thank you for trusting us with your children. It is truly an honor to teach children each day. We want to wish you all a wonderful summer break. If you are returning, we look forward to seeing you in August. If you are moving on, we wish all the best and you will always be part of our family here at Little School.

You are invited:

We are so excited to share that Little School has received a Level 4 rating! As you may remember, we went through an intense process this year to receive a higher rating through Colorado Shines and Clayton Early Learning. We have received the highest score for a faith-based school in Highlands Ranch and one of the highest of all south Denver faith-based schools. We are so incredibly proud of our staff, and want to thank you all for your support and help through this process.
