***Only two people per child allowed in the sanctuary for graduation.**

***Drop your child off at their classroom line up location 15 minutes before their graduation time.**

Please do not be late. Teachers will not have time to wait for late students.

Church main doors for visitors will open 15 minutes before the ceremony.

As we close out our 2020-2021 school year, we want to thank you for the love and support you have given our staff. We are absolutely amazed that we were able to keep our doors open all year. We attribute that to diligent parents like you who communicated with us, kept your sick children home, and helped keep everyone safe.

We know that without strong parent/teacher relationships, our school would not be as successful as it is. Thank you for letting us into your families, and for trusting us with your children. It is truly an honor to teach your children each day. We want to wish you all a wonderful summer break. If you are returning, we look forward to seeing you in August. If you are moving on, we wish you all the best and you will always be part of our family here at Little School.

The church has some fun events for our families this summer to keep you involved and connected. There is a new worship service directed toward families with young children at 5:00pm on Sundays. There is also Vacation Bible School and Wacky Week Camp.

Music Class News

The flowers of spring always make our hearts sing! Happy May, Little School families! Congratulations to our 2.5 and 3 year old's on their hard work preparing for their Spring Sing. A video link will be sent out soon with each class's performance. Our Chapel song for all children this month is God Makes Me Glad. It's a song that helps remind each of us that if we are feeling sad or mad, praying to God can help each of us to feel better. It is now time for the 4's and Explorers to start preparing for their fun graduation program, while the younger children will learn and sing about animals, colors, shapes and making percussion sounds with their bodies and household items!

This has been such a great year for Little School Music! We'd like to thank all of you for helping us to make it fun and exciting. We hope you all have a great summer, and that you'll stay safe and healthy. Keep singing!

Ms. Laura, Ms. Sheri and Ms. Michele
